About The College

Founded in the heart of the City of Joy by none other than Rastraguru Surendranath Banerjea, in 1885, now stands as one of India's oldest law colleges, Surendranath Law College. Affiliated to the University of Calcutta and recognized by the Bar Council of India, the college has evolved into a premier institution imparting legal education of high standards. Adding to its hundred and thirty seven years of glorious history, this college has presented India with some of her finest gems as the name connotes Dr. Rajendra Prasad (The first President of India), Shri Harendra Kumar (The first Governor of West Bengal), Justice Bijan Kumar Mukherjee (the first Bengali Chief Justice of India) and many other luminaries and eminent personalities. Since inception this college has produced and continues producing many legal luminaries, academicians as well as corporate personalities. In 1882, the Presidency School which formed the nucleus of the present institution, was handed over to Sir Surendranath Banerjea on 1st January 1884. He raised it to the status of a college and named it 'The Presidency Institution'. Within a year the institution was converted into a full fledged college named Ripon College. Its role was further extended through the opening of the Post-Graduate Department of Law in 1884, which was later affiliated to the University of Calcutta in 1885, as an independent professional college.

Presently, Surendranath Law College imparts 5 Year B.A. LL.B. and B.A. LL.B. (Honours) course and 2 Year LL.M. course. The college today aspires to provide quality education to students of all sections of society without any kind of discrimination and to enable them to stand up to the challenges of the new millennium with courage and conviction. The college has claimed its place among various universities of India by bagging many Gold Medals in academics. The brilliance demonstrated by the students of Surendranath Law College in moot court, speaking arts, literary arts, quiz, sports, music, dance, fashion and even fields like technology and e-sports.
