ABOUT COLLEGE:

Surendranath Law College is an esteemed law institute affiliated to the University of Calcutta and recognized by the Bar Council of India, also regarded as one of the oldest law colleges of the country. 'Rastraguru' Surendranath Banerjee, the great patriot and educationist founded this college in the heart of the city close to the Sealdah Station - considering the convenience of commuting and to encourage more students to partake of quality education, especially for those who belonged to the downtrodden community. In 1882, the Presidency School, which formed the nucleus of the present Institution, was handed over to Sir Surendranath Banerjee on 1st January 1884. He raised it to the status of a college affiliated to the F.A. standard and named it "The Presidency Institution". Within a year the institution was converted into a full-fledged, first grade college under the name "Ripon College". Its activity was further extended through the opening of the Post-Graduate Department of Law in 1884, which was later affiliated to the Calcutta University in the year 1885, as an independent professional college. Presently, Surendranath Law College imparts 5 years B.A.LL.B. course, 5 years B.A. LL.B. (Honours) course and two years LL.M. course.

Dear Dr. Som,

I am writing on behalf of the Rotary Club of East Calcutta to propose a collaborative initiative with the Variable Energy Cyclotron Centre (VECC). Enclosed is our application for a Mass Awareness Campaign on 'Sustainable Plastic Waste Management and Conservation of Natural Resources', planned for April 9, 2024 at Surendranath Law College, Sealdah.

Our objective is to leverage VECC's expertise to heighten the campaign's impact on community awareness and action towards environmental sustainability. The precise timing of the event will be determined and communicated shortly, ensuring it aligns with our mutual availability and maximizes participation.

We value the possibility of VECC's partnership in this critical endeavor and look forward to your insights and potential involvement.

Thank you for considering our proposal. We are hopeful for a positive response and the opportunity to unite our efforts for a sustainable future.

Please note that Rtn. Dr. Arnab Ray (+91 97480 49907) will be the SPOC from our club for this event. Feel free to reach out to him for any concerns.

Subject: Request for Permission to Organise a Mass Awareness Campaign on Sustainable Plastic Waste Management and Conservation of Natural Resources

Respected Sir/Madam,

Greetings from the Rotary Club of East Calcutta!

We are writing to you with a heartfelt request to collaborate on an initiative that is crucial for the betterment of our community and the environment at large. The Rotary Club of East Calcutta, in association with the Variable Energy Cyclotron Centre, Department of Atomic Energy, Government of India, is planning to organise a Mass Awareness Campaign on 'Sustainable Plastic Waste Management and Conservation of Natural Resources'. We aim to conduct this campaign on the 9th of April, 2024, and we believe that the esteemed premises of Surendranath Law College would serve as the perfect venue for this event.

The primary goal of this campaign is to educate and sensitize the student community, faculty members, and the general public about the pressing issues of plastic waste management and the conservation of our precious natural resources. Through this initiative, we aspire to install a sense of responsibility among individuals towards adopting sustainable practices in their daily lives, contributing to a healthier environment.

We are looking forward to your support in providing us with the necessary space within your college premises to conduct this campaign. We are confident that your participation and support in this noble cause will significantly amplify the impact of our collective efforts. The Rotary Club of East Calcutta, along with the esteemed team from the Variable
