Within a year the institution was converted into a full-fledged, first grade college under the name "Ripon College". Its activity was further extended through the opening of the Post-Graduate Department of Law in 1884, which was later affiliated to the Calcutta University in the year 1885, as an independent professional college. DETERRENCE ABIDES IN TWO DIMENSIONS.

- * The actual malefactor is encouraged to refrain from making similar decisions again, and those who contemplate similar actions, upon learning of the consequences, will choose to not violate the law.
- * Although the classical conception of deterrence is deemed rational, there is considerable doubt regarding both dimensions on whether deterrence works. It is unclear whether punished people are in fact deterred from future transgression;
