Career Counselling is of utmost importance in any reputed higher education institute in present times as it provides invaluable guidance and mentorship to students, inculcating in them the requisite skills for professional success once they complete their course and pass out after attaining their degrees. Career counselling involves an assessment of the potential of students, formulating effective training strategies for skilling of students, collaborating with external agencies or institutions for imparting skills or training to students, embracing an approach of continuous reskilling and upgradation of competencies, and creating a robust system of mentoring and networking. Development of soft skills, communication skills, and professional domain expertise forms an integral part of career counselling activities.

Surendranath Law College, with an aim of imparting professional skills and mentorship conducted a career counselling programme on titled, "Building a Cutting-Edge Career on 21st Century" 22nd April' 2021 in collaboration with Presidency University, Bengaluru, for the 10th semester students through Microsoft Teams. Number of students and Faculty Members from this College participated in this Webinar. The webinar was organised by Dr. Mohammadi Tarannum, Vice-Principal, Surendranath Law College who was the Chairperson of the programme, assisted by Dr. Ceasar Roy, Assistant Professor of Law of the College as the convenor, along Ms. Sneha Mula, Assistant Professor of Law, School of Law, Presidency University. Prof. (Dr.) Mohammed Shamiulla Arab, HOD & Dean in Charge, School of Law, Presidency University gave an excellent coverage to the topic of the webinar. In his address he highlighted various aspects and scopes of law profession. He diligently explained the endeavours the final year students need to undertake to hone their professional skill sets and attain competency in the field of law. He expressed that though choosing a career could be difficult for final year students but there are plenty of opportunities for those who willing to put in the required efforts along with focus and smart work.

This career counselling webinar made the students aware about various professional avenues for law degree holders, keeping in tune with the requirements of the current job market. This session provided the students valuable insights for pursuing a successful career in the discipline of law by acquainting them with domain expertise in practical applications necessary for the current job market. The arenas of legal research, judicial recruitments in the government sector as judges and public prosecutors, the role and job profile of legal officers, and internship opportunities with reputed national as well as international law firms were comprehensively discussed from which the students benefitted greatly.
