ABOUT THE COURSE:

Event Report: World Lung Cancer Day Awareness Program

Organized by: SURENDRANATH LAW COLLEGE

Date: 1st August’2025

Venue: Surendranath Law College Seminar Hall

Organized by: Surendranath Law College with IRIS hospital

Objective:

World Lung Cancer Day is observed annually on August 1st to raise awareness about the risks, prevention, early detection, and treatment of lung cancer. The primary objective of this awareness program was to educate the public about lung cancer, its causes—particularly smoking—and the importance of regular health check-ups.

Goals and Objectives

The primary objectives of the programme were to:

- Educate the community about lung cancer risk factors (smoking, air pollution, occupational hazards, etc.) and warning signs.
- Promote early detection and the availability of modern screening techniques like low-dose CT scans.
- Bust common myths and reduce the stigma surrounding lung cancer, particularly the misconception that it only affects smokers.
- Provide support and resources for patients, survivors, and their families.
- Advocate for cleaner air and healthier lifestyles within the Kolkata community.

Participants:

The event witnessed active participation from:

- Healthcare professionals from IRIS Hospitals and R.G.Kar Medical college
 - B.A.L.L.B. & L.L.M. students
 - Cancer survivors
 - Teaching and Non-Teaching Staff
- Approximate attendance: 100 participants

Details of the event:

Health is a wealth for anyone especially a Professional college like Surendranath Law College which imparts Law education nearly one and half centuries. Extension Activities committee of Surendranath college commemorates WORLD LUNG CANCER DAY on 1st day of August 2025 with the title "Close the care gap, everyone deserves access to cancer care" at Surendranath College, seminar hall from 9am to 1pm.

Three oncologists are the distinguished Speakers from Irish hospital and R.G.Kar Medical college who dedicated the day for discussing how to eradicate

lung cancer and even a patient could combat the deadliest disease through medication and some healthy food habits in their diet. Firstly Dr. Palash de of Irish hospital, oral oncologist defined Cancer, how it grows and spreads, probable causes behind it. Addiction, environmental pollution, genetic reasons and other attributable reasons were explained by PPT presentation. Dr. Sayoni Bhanja, radiation and oncologist answered vividly questions from student corner. She urged that to quit addiction especially smoking.

Last speaker was Dr Sankar kumar Nath senior oncologist and Professor from R.G.Kar Medical college. His contribution to carcinogenic patient is worth mentioning. He had established free hospital, guest house and rehabilitation center for such patient. His slides showed categories of cancer with reasons behind it, causes of cancer, what food are added as quality and quantity wise in diet to resist cancer cell and keep ourself away from Cancer. Session was highly enriching and appreciated by Professors and students.

On August 1, 2025, World Lung Cancer Day was observed with the theme "**Breaking Barriers: Championing Early Detection and Equal Care**". Events focused on community awareness through campaigns, educational programs, and discussions about risk factors and symptoms, while also emphasizing the importance of breaking down barriers to early screening and equitable treatment for everyone.

Key activities and themes

- **Free Screening Camp:** Over 150 individuals were provided with free spirometry tests and consultations to assess their lung health, with at-risk patients advised on next steps, including potential LDCT screening.
- **Educational Seminar:** The seminar focused on advancements in diagnosis (biomarker testing, PET scans) and treatment (immunotherapy, targeted therapy), emphasizing that with modern approaches, lung cancer is no longer a guaranteed death sentence and early diagnosis significantly improves outcomes.

- **Interactive Workshop & Survivor Stories:** This emotional and inspiring session provided a platform for survivors to share their journeys, which significantly helped in reducing fear and stigma, while counselors offered information on support networks.
- **Awareness campaigns:** Initiatives like those organized by the Laureate Institute Of Pharmacy, involved public surveys and outreach to raise awareness about lung cancer and prevention.
- **Focus on early detection:** Events stressed the critical need for early detection, often highlighting the importance of low-dose CT scans for at-risk individuals, as described in Times of India.
- **Equitable care:** The theme emphasized breaking down barriers to ensure equal access to screening and treatment, regardless of socioeconomic status or location.
- **Educational programs:** Some institutions, such as Sri Sairam Ayurveda Medical College & Research Centre, held continuing medical education (CME) sessions for healthcare professionals.
- **Risk factor information:** Activities aimed to educate the public on risk factors, including smoking (first and second-hand), exposure to certain chemicals like radon and asbestos, and air pollution, as noted by Artemis Hospitals and the Global Lung Cancer Coalition.
- **Community and support:** Programs encouraged community involvement and highlighted the need to support patients and reduce stigma associated with the disease, often through social media and online communities.

About College:

Surendranath Law College is an esteemed law institute affiliated to the University of Calcutta and recognized by the Bar Council of India, also regarded as one of the oldest law colleges of the country. ‘Rastraguru’ Surendranath Banerjee, the great patriot and educationist founded this college in the heart of the city close to the Sealdah Station - considering

the convenience of commuting and to encourage more students to partake of quality education, especially for those who belonged to the downtrodden community. In 1882, the Presidency School, which formed the nucleus of the present Institution, was handed over to Sir Surendranath Banerjea on 1st January 1884. He raised it to the status of a college affiliated to the F.A. standard and named it “The Presidency Institution”. Within a year the institution was converted into a full-fledged, first grade college under the name “Ripon College”. Its activity was further extended through the opening of the Post-Graduate Department of Law in 1884, which was later affiliated to the Calcutta University in the year 1885, as an independent professional college. Presently, Surendranath Law College imparts 5 years B.A.LL.B. course, 5 years B.A. LL.B. (Honours) course and two years LL.M. course.

Programme Details: -

Total Students participated: 200

Total Faculties participated: 14

Program Highlights:

1. Inauguration Ceremony:

The program began with a welcome address by Dr. Sankar Nath, followed by a lighting of the lamp ceremony. Chief Guest Dr. [Name], a renowned oncologist, spoke on the rising incidence of lung cancer in both smokers and non-smokers.

2. Expert Talks & Presentations:

- “Understanding Lung Cancer: Risks & Realities” – **Dr. Sayani Bhanja**, Pulmonologist
- “Tobacco and Its Impact on Lung Health” – **Dr. Palas De**, Anti-Tobacco Activist
- “Survivor’s Story” – A moving personal account by [Urmila

Bhatyacharriya] inspired the audience.

3. Free Health Check-up & Spirometry Camp:
A free screening camp was organized where over 80 individuals underwent lung function tests and general check-ups.
4. Poster Exhibition and Street Play:
Students and volunteers presented posters and performed an engaging street play on the harmful effects of smoking and the importance of early diagnosis.
5. Distribution of Educational Materials:
Pamphlets, brochures, and visual aids were distributed to spread awareness about lung cancer symptoms, risk factors, and prevention tips.

Outcomes and Impact

The event successfully engaged a large segment of the local community. The screening camp enabled prompt medical attention for several individuals showing early signs of concern. Feedback forms indicated a significant increase in awareness regarding non-smoking risk factors like air pollution and genetic predisposition. The survivor stories generated considerable empathy and encouraged a more open conversation about the disease.

Conclusion and Next Steps

The World Lung Cancer Day Awareness Program on August 1, 2025, successfully served its purpose of educating the community and encouraging proactive health behaviours. The collaboration between medical professionals, students, and the local community emphasized the importance of collective effort in battling lung cancer.

The World Lung Cancer Day observation at IRIS Hospital, Kolkata, was impactful in promoting lung health awareness and the importance of early detection. The hospital remains committed to the fight against lung cancer.

Next Steps:

- To continue offering low-cost lung cancer screenings throughout the month of August.
 - To organize a smoking cessation program as a follow-up activity.
 - To use the feedback gathered to plan even more targeted awareness campaigns in the future.
 - Increased awareness among community members about lung cancer prevention and early detection.
 - More than 20 individuals were referred for follow-up investigations based on the screening results.
 - Positive feedback from participants, many of whom pledged to quit smoking or assist others in doing so.
