REPORT

Certificate Course on **INTELLECTUAL PROPERTY RIGHTS**

Date :15.05.2024 – 28.05.2024

ABOUT THE COLLEGE

Surendranath Law College is an esteemed law institute affiliated of the University of Calcutta and recognized by the Bar Council of India, also regarded as one of the oldest law colleges of the country. "**Rastraguru**" Surendranath Banerjea, the great patriot and educationist founded this college in the heart of the city considering the convenience of commuting and to encourage more students to partake of quality education, especially for those who belonged to the downtrodden community. In 1882, the Presidency School, which formed the nucleus of the present Institution, was handed over to Sir Surendranath Banerjea on 1st January 1884. He raised it to the status of a college affiliated to the F.A. standard and named it "The Presidency Institution". Within a year the institution was converted into a full-fledged, first grade college under the name "Ripon College". Its activity was further extended through the opening of the Post-Graduate Department of Law in 1884, which was later affiliated to the Calcutta University in the year 1885, as an independent professional college. Presently, Surendranath Law College imparts 5years B.A.LL.B. course, 5years BA. LI.B. (Honours) course and two years LL.M. course.

- **ABOUT THE COURSE**

Intellectual property in modern days is important than ever in this highly-connected digital global world. Intellectual property in form of intangible assets contributes a lot to nation's economy as well as in global economic sphere. Intellectual property varies from nation to nation and every nation endeavours to provide strong intellectual rights protection laws to recognize the importance of impactful original works, designs, inventions, etc. Intellectual property includes copyrights, patents, trademarks, trade secrets, geographical indications, industrial design etc., which not only boost the individual for research and development but plays a significant role on trade of every nation and provides consumers authentic, reliable, and original products/items/outcomes. Therefore, knowledge relating to intellectual property is of immense importance for every individual and country as it impacts everyone whether institutions or person. Surendranath Law College through this course offers an

opportunity to build a deep knowledge based on intellectual property and its rights, infringement remedies, institutions involved and overlapping different areas of intellectual laws.

• OBJECTIVE OF THE COURSE

- i. The knowledge and understanding about the intellectual property, intellectual property rights, remedies available, etc;
- ii. The exploration of the institutions in global and in India specifically relating to intellectual property;
- iii. The enhanced understanding on the various aspects of intellectual property involving copyrights, patents, trademarks, industrial designs, geographical indications, traditional knowledge;
- iv. The understanding of legislations requirements, national and international intellectual protection policies, and management systems, licencing etc;
- v. The exploration of the intellectual property in areas of data protection, computer programmes, microorganisms, artificial intelligence, etc;
- vi. The impact and utility of intellectual property and its importance and stimulating the thoughts on the subject matter;
