Public Speaking Competition on International Women's Day -2023

International Women's Day is celebrated on March 8 every year, marking a day of recognition and celebration of women's achievements across social, economic, cultural, and political arenas. The day also serves as a call to take proactive steps for accelerating gender parity highlighting the critical role of women in driving progress in all aspects of society. This day commemorates and celebrates the idea of women's empowerment, the socio-economic inclusion of women in a society's developmental trajectory, and women's participation in leadership and decision-making roles. International Women's Day plays a pivotal role in recognizing and promoting the struggles as well as accomplishments of women globally, reflecting and affirming their onward journey towards the realisation of true empowerment, raising awareness about gender biases as well as the need for their elimination, facilitating discussions and actions to address challenges hindering women's progress globally as well as inspiring women to attain their true potential by showcasing their success stories. This day also fosters a spirit of worldwide unity among women belonging to diverse socio-economic and cultural backgrounds.

To commemorate International Women's Day and its spirit of empowerment, the Debate and Extempore Club of Surendranath Law College organized an Intra College Public Speaking Competition on the topic: **Equal Pay for Equal Work: Myth v/s Reality** on 28/03/2023 in college seminar hall. The entire event was supervised & counselled by Prof. Dr. Mohammadi Tarannum, Vice-Principal of the Surendranath Law College. This event promoted awareness amongst the students on a critical aspect of attaining economic parity between men and women in a globalized economy of the 21st Century. The programme provided a platform for the students to develop as well as display their skills of public speaking, overcoming stage fright and developing logical argumentation capability which would be of immense use in their future law practice career.
