Kolkata-700009

Subject: **Program report: Celebration of INTERNATIONAL DAY OF FORESTS**

Organized by: ECO CLUB of Surendranath Law College, Kolkata
Date: 21st March 2023
Time: 09:00 AM onwards
Venue: Seminar Hall of College, College Premises, Surrounding Street
Convenor: Prof. Debjani Ojha

About College & Program:

Surendranath Law College is an esteemed Law college, affiliated with Calcutta University in 1885, imparting UG education since 1885. Being one of the oldest Law colleges in the country, this college organizes various programs throughout the year. ECO CLUB of Surendranath Law College, Kolkata organized multiple events for the celebration of “**International Day of Forests**” on 21st March 2023 which was counselled by **Prof. Dr. Mohammadi Tarannum**, Vice-Principal of the Surendranath Law College at college premises.

As we all know, on 28th November 2012 the UN General Assembly designated 21st March as International Day of Forests or The World Forest Day. Since then, every year this day is celebrated to raise awareness about the importance of Forest. Every year a theme is selected by the Food and Agricultural Organization of the United Nation. This year the theme was “**Forests & sustainable production and consumption**”. We should not forget that >80% of the world’s living organisms directly or indirectly depend on the forest. But every year a major portion of the forest is lost to the shake of developments of humans as well as the increasing human population and followed by their activities. This has an adverse effect on Nature like increasing

CO2 emission, global warming, reduction of the Ozone layer, etc. which is a further cause of extinction of many races from the Earth. We should also take care of growing new forests besides reducing to replenish the balance in nature which can make the future of humans more sustainable.

Hence to spread awareness against deforestation the ECO Club of Surendranath Law College organized multiple events themselves –

1. Go Green Initiative for the whole day of 21st March 2023.
2. Awareness speech by the Professors.
3. Street Play & Dance-Drama on forest conservation.
4. Recitation by students on forest conservation.

Objectives of this Event:

1. The main objective of this event was to raise awareness of the importance of all types of forests.
2. To understand the connection of the Forest to our daily lives even if it is the tiniest matter like drinking water, writing in a notebook, or taking medicine.
3. How Forests play a crucial role in the achievement of Sustainable Development Goals

Benefits of the students from this Event:

1. Students were able to understand the importance of Forests and the environment.
2. Students got to know the necessity of protecting the Forests.
3. Students got to know various laws, constitutional and national legal frameworks, and policies that protect the Forests & how.
