

## Health & Eye Check-Up Camp on World Health Day -2025

World Health Day is observed on **April 07** every year. This day marks the anniversary of the founding of the World Health Organization (WHO) in 1948 and has been celebrated since 1950. Each year, World Health Day is used as an opportunity to draw attention to a specific health topic that affects people all over the world.

By emphasizing one particular theme every year, World Health Day encourages governments, healthcare organisations, and individuals to work collectively toward improving health standards and access to healthcare. The theme for **World Health Day 2025** is '**Healthy Beginnings, Hopeful Futures**'.

Surendranath Law College, a prestigious law college in Kolkata with an illustrious legacy of over a century, is deeply committed to the pursuit of justice, equality, and the rule of law. Founded by the illustrious nationalist leader Surendranath Banerjee, the college has long been a beacon of legal education in India, producing countless legal professionals who have made significant contributions to the judiciary, academia, and public service. The college's ethos is rooted in the principles of social justice and human rights, aligning with its mission to not only educate students in the law but also to instil in them a deep sense of responsibility towards society.
