Sub: Appraisal Report of Health & Eye Check-Up Camp on World Health Day, dated 08-04-2025

Respected Madam,

I, **Mafuza Yasmin (Assistant Professor)**, Convener of the Extension Activities Committee, and **Dr. Rajarsi Das (Assistant Professor)**, Convener of the Students Affairs Committee of Surendranath Law College, organized a “**Health & Eye Check-Up Camp**” in collaboration with **British Biologicals**, a **Global Healthcare Nutraceutical Company**, and **Iris Hospital** on the occasion of **World Health Day 2025** on **8th April 2025** at **10:00 am** in the **Surendranath Day College Common Room**.

This camp was held in acknowledgment of the noble vision of the **World Health Organization (WHO)** under the theme of promoting accessible health care.

All faculties, staff, and students were encouraged to participate. Notably, prescriptions and health reports were provided to every participant by **IRIS Hospital** doctors.

I would like to submit an appraisal report along with supporting documents for successful completion and future reference, as annexed below.

Thanking you,  
Yours faithfully,  
Mafuza Yasmin (Assistant Professor), Convener  
Extension Activities Committee  
Dr. Rajarsi Das (Assistant Professor), Convener  
Students Affairs Committee

#### **LISTS OF ANNEXURES:**

- I. Appraisal Report
- II. Notice and Poster of the Health & Eye Check-Up Camp
- III. Permission Letter to Common Room of Surendranath College
- IV. Attendance Sheet/List of Attendees
- V. Check up list
- VI. Photographs
- VII. Prescriptions of the students
- VIII. Statements of Expenditure Bills

# APPRAISAL REPORT World Health Day 2025

On the Auspicious Occasion of World Health Day 2025

- **Organised by:** Surendranath Law College (Extension Activities Committee & Students' Affairs Committee)
- **Date:** 8th April 2025 (Tuesday)
- **Time:** Commencing from 10:00 AM onwards
- **Venue:** Surendranath Day College Common Room
- **Chairperson:** Dr. Mohammadi Tarannum, Hon'ble Vice Principal, Surendranath Law College

## Conveners:

- Dr. Rajarsi Das, Assistant Professor, Convener – Students' Affairs Committee
- Ms. Mafuza Yasmin, Assistant Professor, Convener-Extension Activities Committee

## ABOUT THE EVENT:

In veneration of **World Health Day**—an observance held annually on 7th April under the aegis of the **World Health Organisation (WHO)**—Surendranath Law College, through the collaborative endeavours of its Extension Activities Committee and Students' Affairs Committee, hosted a "Health & Eye Check-up Camp" on the 8th of April, 2025.

The event was graciously conducted in **association** with **British Biologicals**, a distinguished **Global Healthcare Nutraceutical enterprise**, and Iris Hospital, renowned for its commitment to holistic medical care.

This noble initiative was envisioned as a vital step toward fostering a culture of wellness and preventive healthcare within the academic milieu. The camp provided complimentary health and ophthalmological examinations to students, faculty members, and staff alike, thereby reinforcing the essence of universal health rights as envisioned by WHO.

Esteemed medical professionals from Iris Hospital offered personal consultations, detailed body check-up reports, and prescriptions to each participant. Their dedicated presence ensured that every attendee received individual attention and guidance on maintaining optimal health.

The event witnessed wholehearted participation from the entire academic fraternity, reflecting a shared commitment towards a healthier, more informed, and responsible community. The thoughtful orchestration and the seamless execution of the programme indeed resonated with the spirit of World Health Day 2025—celebrating the ethos of "**Health for All.**"

## ABOUT COLLEGE:

**Surendranath Law College** stands as a beacon of legal education, steeped in history and heritage, and proudly affiliated with the prestigious **University of Calcutta**. Recognized by the Bar Council of India, it is celebrated as one of the oldest and most esteemed law institutions in the country. The illustrious patriot, visionary reformer, and eminent educationist '**Rastraguru**' **Surendranath Banerjee** laid the foundation of this revered college in the heart of Kolkata, near **Sealdah Station** — a location chosen with thoughtful deliberation to ensure ease of access and to foster educational empowerment among the underprivileged and marginalized communities.

The genesis of this institution traces back to **1882**, when the **Presidency School**, which would later evolve into the present-day college, was entrusted to the noble stewardship of Sir **Surendranath Banerjee** on **1st January 1884**. Under his inspired leadership, the school was elevated to a collegiate institution of F.A. standard, christened as "**The Presidency Institution**." In less than a year, this budding establishment blossomed into a full-fledged, first-grade college and was renamed "**Ripon College**."

In **1884**, the academic ambit of the college expanded further with the inauguration of the **Post-Graduate Department of Law**, a pioneering venture in legal education. This department attained a distinguished status in **1885**, when it was affiliated as an independent professional college under the auspices of the University of Calcutta.

Today, **Surendranath Law College** continues its noble legacy by offering a comprehensive range of academic programs, including the **five-year B.A. LL.B.** course, the **five-year B.A. LL.B. (Honours)** course, and the **two-year LL.M. program** — upholding its timeless commitment to excellence, enlightenment, and equity in legal education.

## INTRODUCTION OF THE PROGRAMME

**Theme: “Health & Eye Check-Up Camp – Healthy Beginnings, Hopeful Futures”**

In reverent observance of World Health Day—an occasion that venerates the sanctified ideals of the World Health Organization (WHO)—Surendranath Law College, under the gracious auspices of its Extension Activities Committee and Students Affairs Committee, orchestrated a noble initiative in the form of a **“Health & Eye Check-Up Camp” on 8th April 2025.**

This virtuous endeavour was undertaken in **esteemed collaboration with British Biologicals**, a globally acclaimed healthcare nutraceutical enterprise, and the eminent **Iris Hospital**, both of whom lent their expertise and magnanimous spirit to this cause.

The event unfurled its purpose within the welcoming precincts of the Surendranath Day College Common Room, commencing promptly at 10:00 a.m., and drew the dignified presence of teaching and non-teaching staff, faculty members, and the vibrant student community.

The camp sought to reaffirm the sacred right to health for all, offering attendees comprehensive health and eye examinations conducted by proficient medical professionals. Participants were graciously provided with individual prescriptions and health reports by Iris Hospital’s medical team, fostering awareness, early detection, and personal well-being.

Presiding over the programme was the illustrious **Dr. Mohammadi Tarannum, Vice Principal and Programme Chairperson**, whose unwavering vision continues to steer the institution toward holistic development. The initiative flourished under the meticulous stewardship of **Dr. Rajarsi Das, Convener of the Students Affairs Committee**, and **Ms. Mafuza Yasmin, Convener of the Extension Activities Committee**, both of whom played an instrumental role in ensuring the seamless execution of this impactful event.

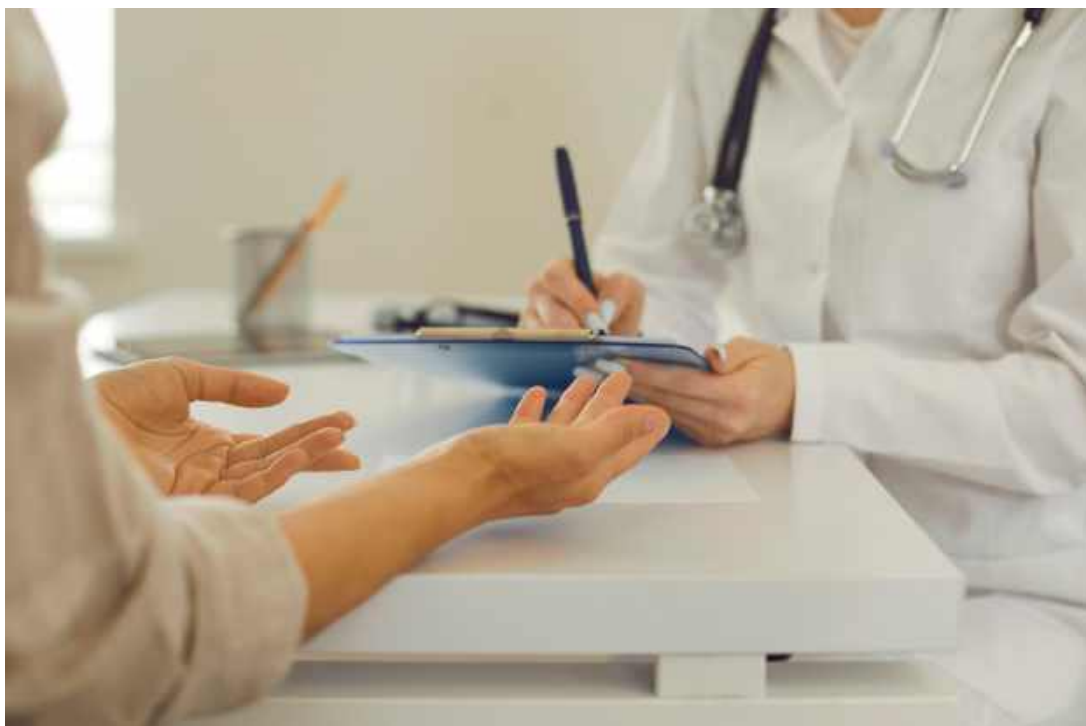

Through this noble initiative, **Surendranath Law College** once again demonstrated its steadfast commitment to nurturing not only the intellectual growth but also the physical and emotional well-being of its academic fraternity.

## OBJECTIVES OF THE COURSE :

- To solemnly commemorate World Health Day (7th April) and reaffirm the commitment to the noble vision of the World Health Organisation (WHO).
- To sensitize and enlighten students, faculty, and staff on critical health issues through a comprehensive health and eye check-up camp, promoting overall physical and mental well-being.
- To identify root causes and contributing factors to common health challenges through body composition analysis, blood pressure (BP) monitoring, and random blood sugar (RBS) testing.
- To encourage early detection and timely care by offering doctor consultations, ECG, eye check-ups, and personalized health prescriptions in collaboration with IRIS Hospital.
- To promote awareness of healthy dietary practices through diet consultations and the provision of balanced diet charts tailored to individual health profiles.
- To provide participants with practical and experiential knowledge by facilitating direct interaction with medical professionals and healthcare experts.
- To highlight the importance of preventive health measures and integrate them into the routine lifestyle of students and staff, fostering a culture of sustained wellness.

## BENEFITS OF THE PROGRAMME:

- Students obtained first-hand experience of health evaluation, enabling them to understand patient conditions and develop empathy toward public health concerns.
- Participants became aware of the importance of routine health monitoring and preventive care strategies.
- The camp provided medical insights and therapeutic exposure, improving students' knowledge of real-time diagnostic procedures and healthcare practices.
- Students were introduced to national and global health data, promoting a scientific and statistical approach toward understanding health issues.
- The event familiarized attendees with government healthcare policies and scientific interventions, encouraging informed dialogue on public health strategies.
- The programme served to empower students with practical tools and knowledge to advocate for and contribute to a healthy, inclusive society.
