**About College & Program:**

Surenranath Law College is an esteemed Law college, affiliated with Calcutta University in 1885, imparting UG education since 1885. Being one of the oldest Law colleges in the country, this college organizes various programs throughout the year. The college today aspires to provide quality education to students of all sections of the society without any kind

of discrimination and to enable them to stand up to the challenges of the new millennium with courage and conviction.

Surenranath Law College, Kolkata organized a Faculty Development Programme on "Research Methodology" from 22<sup>nd</sup> August, 2022 to 26<sup>th</sup> August, 2022 through Zoon Online Platform. Near about 100 students, Research Scholars and Faculty Members from the various Colleges and University across the country participated in this Faculty Development Programme. This FDP was convened by **Dr. Caesar Roy**, Assistant Professor of Law and Chaired by Dr. **Mohammadi Tarannum**, Vice-Principal of the Surenranath Law College.

This Faculty Development Program is being organized to give the teaching and research community in India knowledge of contemporary techniques for research and teaching in the legal field. The learned speakers will discuss the complexities of research and dissect the multi dimensional approaches that may be useful in both learning and research based teaching of law. The accessibility barriers and knowledge gaps faced by researchers shall also be identified by the resource persons and discussed in detail along with possible solutions and reforms wherever necessary. This pedagogical approach based program will be conducted by some of the most distinguished academics and legal professionals who will equip participants with the necessary skill sets required to upgrade their research and teaching skills. The Programme aims at being instrumental in introducing the participants to the emerging horizons of legal research and research methodology and providing them sufficient awareness of the same. The programme will provide a golden opportunity for distinguished researchers and faculties in India to engage and collaborate with the senior faculty members and professionals and to have a firsthand understanding of their experiences and perspectives pertaining to teaching and research.

### **Objectives of the FDP:**

- (i) To acquaint the participants with the intricacies of legal research and research based teaching.
- (ii) To familiarize the faculty participants with innovative teaching-learning and legal research methods.
- (iii) To train the participants to upgrade their knowledge and skills which will enable them to undertake meaningful research activities including policy research.
- (iv) To equip the participants with the ability to effectively assimilate and impart knowledge in different areas of law.
- (v) To enhance the overall teaching and research capabilities of participants.
