DATE – 17th March, 2023

IN COLLABORATION WITH – Jayaprakash Institute of Social Change,
Kolkata

TOPIC -

Surendranath Law College, under University of Calcutta is among the oldest esteemed law colleges of India. Our "Rastraguru" Surendranath Banerjee founded this college at the heart of the city and near Sealdah Station, to encourage more students to partake in higher education in law and be legal reformers and reformers of the community.

This Surendranath Law College on 17th March, 2023 took an innovative initiative to start a conversation and spread awareness as to the transgender community with an in-depth session with the students. Since, they are the future lawyers of the country, the session also included interactive session with them along side of the discussion of the Act. The Act speaks of the rights of the Transgender Persons and thus the main arena of the discussion was sensitizing the future generations about the rights of the community. The event was also graced by certain individuals from the community, making the seminar more successful.

OUTCOME –

It will not be wrong to say that this Programme was a tremendous success. The students not only got aware about the rights but also developed a sense of compassion toward the community. This programme not only helped in the development of their knowledge but also contributed in their holistic growth.
