

Celebrating National Law Week with District Legal Services Authority (DLSA)- 2022

India celebrates 'National Law Week' centred around November 26th every year which is observed as 'National Law Day' commemorating the adoption of the Indian Constitution by the Constituent Assembly in 1949. This day marks honouring the sacrosanct principles of the Indian Constitution such as rule of law, fundamental rights, judicial independence and equality before law.

Surendranath Law College, a prestigious institution in Kolkata with a glorious legacy of over a century, is deeply committed to the pursuit of justice, equality, and the rule of law. Founded by the illustrious nationalist leader Surendranath Banerjee, the college has long been a beacon of legal education in India, producing countless legal professionals who have made significant contributions to the judiciary, academia, and public service. The college's ethos is rooted in the principles of social justice and human rights, aligning with its mission to not only educate students in the law but also to instil in them a deep sense of responsibility towards society.

In observation of National Law Week, the Legal Aid Club of Surendranath Law College, in collaboration with the District Legal Services Authority (DLSA), organized a debate and quiz competition at the college seminar hall on the 1st

of December 2022. National Law Week commemorates the significance of the Indian Constitution and the rule of law in upholding justice and equality in the country. The program, held at the college seminar hall, brought together students, faculty members, and legal professionals to reflect on the importance of the Indian Constitution and its continued relevance in shaping the country's legal and democratic framework.

In line with this initiative, the Legal Aid Club of Surendranath Law College took the opportunity to further educate and engage students in discussions about the Constitution's continued relevance in modern-day governance. The competition served not only as a platform for testing students' knowledge of constitutional law and legal principles but also as a way to encourage critical thinking and dialogue on the challenges facing the legal system today. The debate and quiz were designed to reflect the evolving role of legal professionals in upholding constitutional values and protecting fundamental rights. By promoting these activities, Surendranath Law College aims to inspire its students to become proactive, informed, and conscientious legal professionals who are committed to justice, democracy, and the principles enshrined in the Constitution of India. The entire programme was coordinated and counselled by the Vice Principal of the College, Dr. Mohammadi Tarannum

Glimpses of the event.
