OVERALL REVIEW:

We got the opportunity to visit and conduct a Survey on Lok Adalat at DLSA, City Civil Court, Calcutta. We reached there at 10am and the work started at 12pm. We had to collect surveys of the people who visited the Lok Adalat to settle their disputes. We all could collect a total of 100 surveys. It was a splendid experience. We got to learn several things and came across the Alternative Dispute Resolution mechanism. We learned about the functioning of ADR Mechanism. Overall it was a different kind of Court Room experience for all of us. We would be very happy to visit and conduct a survey again.

SOME MOMENTS CAPTURED FROM THE EVENT!
