Celebration of International Women's Day 2024

International Women's Day is a global observance celebrated annually on **March 8th** to acknowledge and honour the achievements and contributions of women in various fields and disciplines across the world. The day also serves as a platform to raise awareness about gender equality, advocate for women's rights, and address issues such as the need to mitigate the patriarchal exploitation and gender-based violence, institutionalized discrimination which women face in the form of socio-economic and cultural economic disparities, and the broader aspects of women's safety and emancipation.

To commemorate International Women's Day, the Debate and Extempore Club of Surendranath Law College, organized a **Colloquy** on women's empowerment by undertaking a unique initiative of inviting the newly appointed female Assistant Professors of the College to address the students, highlighting their struggles, academic and other challenges they faced in their life paths and eventual success after surpassing all adversities. The entire event was supervised & counselled by Prof. Dr. Mohammadi Tarannum, Vice-Principal of the Surendranath Law College. This colloquy not only promoted the idea women's empowerment to the students in a practically observable manner but also inspired them to attain greater professional and self development goals in their own lives and careers.

The poster features a background image of a woman in a vibrant, multi-colored sari. At the top center is the circular logo of Surendranath Law College, established in 1985, which includes a scale of justice and a book. The text on the poster is as follows:

DEBATE CLUB & EXTEMPORE CLUB
OF
SURENDRANATH LAW COLLEGE

Welcomes You All
to
"COLLOQUY" on **WOMEN EMPOWERMENT**
For the celebration of **INTERNATIONAL WOMEN'S DAY**
