Seminar on Career Counselling -2022

Career Counselling is of utmost importance in any reputed higher education institute in present times as it provides invaluable guidance and mentorship to students, inculcating in them the requisite skills for professional success once they complete their course and pass out after attaining their degrees. Career counselling involves an assessment of the potential of students, formulating effective training strategies for skilling of students, collaborating with external agencies or institutions for imparting skills or training to students, embracing an approach of continuous reskilling and upgradation of competencies, and creating a robust system of mentoring and networking. Development of soft skills, communication skills, and professional domain expertise forms an integral part of career counselling activities.

Surendranath Law College, with an aim of imparting professional skills and mentorship conducted a career counselling programme on titled, '**Cutting Edge Career in the 21st Century**' 13th April' 2022 in **collaboration with Presidency University, Bengaluru** , for the 10th semester students . The seminar was organised by Dr. Mohammadi Tarannum, Vice-Principal, Surendranath Law College along with IQAC member , Dr Sofia Khatun, Assistant Professor and Mr. Shafquat Irshat, regional manager, Presidency university , Bengaluru. This career counselling seminar made the students aware about various professional avenues for law degree holders, keeping in tune with the requirements of the current job market. The scope of pursuing masters level education in law, management and allied discipline courses, and newly emerging professional legal domains such as intellectual property law, cyber and space law were highlighted for enhancement of domain knowledge of the students.
